

Greeting Team

Serving on the greeting team is one of the easiest ways to get plugged in to Fusion because it doesn't require any special skills. All you need is a heart of love and a willingness to serve

The greeting team is a critical part of the Fusion family. Greeters are the first to welcome people in the doors and demonstrate the love and kindness of God. A few additional responsibilities may include making sure communion elements are available, ensuring offering buckets are on stage, and helping to clear the steps of leaves or snow. This is a great way to serve the body of Christ and helps to make our corporate worship time a wonderful experience.

Welcome Table

Staff our welcome table in the foyer (about once per month) and hand out welcome bags to first time visitors while answering questions and helping people feel welcome and informed. Training will be provided.

Revive Team

Come and be trained to help run the Revive coffee bar in the gallery on Sunday mornings! You'll learn how to make coffee and specialty drinks while creating a hospitable atmosphere and creating community.

Clean Team

Help with cleaning the church building about once per month on rotation. Training will be provided.

Hospitality Team

Be a part of the team facilitating and hosting potlucks and community events. Training will be provided.

Men's Group

Help facilitate the mens group at Fusion every 2nd and 4th Tuesday night in the Gallery for community and diving into God's Word.

Prayer Team

Be a prayer servant on Sunday mornings and at special events/services.

Worship Team

The Fusion worship team is an integral part of the church, with many different positions. Each role supports the vision of praising and worshipping God because He is worthy! It is our goal to love and honor God every time we come together to worship, and as we do so, we have the privilege of leading others!

- We strive for excellence and growth, while prioritizing worshipping God and following the Holy Spirit during our sets.
- Creativity and community are championed through team meetings and spontaneous worship nights.
- Each member is expected to interact with the online platform we use to distribute weekly set lists and communicate information.
- There is an audition process prior to joining the team.

Sound & Tech Team

This team is the secret sauce that keeps the gears of service running like a well-oiled machine!

The sound squad stands vigilant, deftly wielding the soundboard, ensuring that every word resonates loud and proud!

The tech team is responsible for managing slides for worship songs, playing announcement videos, and navigating sermon notes during Sunday mornings.

Game Nights

Want to help plan game nights and events for college and young adults?
This is the place for you!

Children & Nursery Teams

This team is dedicated to sharing our knowledge and wisdom with the younger generation, guiding them in their faith and establishing strong foundations that will support them throughout their lives.

Joining this team requires interviews and background checks. As a member, you will be responsible for leading or co-leading lesson plans, engaging in games, creating crafts, and hosting dance parties.
